

## Year 5

### History:

The children will be exploring the significant historical events that occurred during the Tudor period in England and analysing the impact these events have had on the modern world. We will be looking at how we can see continuities of Tudor

England in today's society, as well as the changes, and we will discuss what legacy has been left behind by this infamous royal family. We will explore primary and secondary sources to uncover differing historical interpretations and opinions and build our own conclusions about the Tudors from these sources.

### Science:

This term, the children will about the stages in the growth and development of humans. They will learn about the changes experienced in puberty. Children will be working scientifically by researching the gestation periods of other animals and comparing them with humans; by finding out and recording the length and mass of a baby as it grows.

### Design and Technology:

We will be designing and making a Tudor pouch with an embroidery design.

## Crime and Punishment! What is the legacy of the Tudors?

This term, Year 5 will be looking throughout different time periods, relating to the impact of politics, religion and social class on crime and punishment. This will build inquiry and research skills, as well as utilise place value knowledge (chronology of events/key dates), and computing/speaking and listening skills (presentation). Additionally, the learning will encourage children to challenge their knowledge of right and wrong, their treatment of others, and forgiveness.

### Computing and IT:

- Programming - Selection in quizzes

### French:

Café culture and restaurants

### English:

- Newspaper report - Battle of Bosworth
- Narrative - Shakespeare's Macbeth

**Class Novel** - The Diver's Daughter by Patrice Lawrence

### Mathematics:
