

Year 5

Place and Time:

History: The children will be exploring the key protest events in our world history: The Women's Rights Movement and The Civil Rights Movement. They will begin to analyse and understand how these were significant turning points in both British and World History and the impact they have had on modern day life and social ideologies. The children will also be learning about the significant individuals that contributed to this history, such as Emily Davison, Rosa Parks and Martin Luther King.

Geography: The children will have a revision of their learning on continents and countries through exploring the impact of protests across the globe.

Science and Technology:

We will be learning about the differences in the life cycles of a mammal, an amphibian, an insect and a bird. We will also be observing life-cycle changes in some animals.

Key Scientist: Jane Goodall

Faith and Belief:

- Christianity - Incarnation

Protest

What does it mean to 'Fight for your Right'?

This term, the children will be immersed in the British and American History of protests. They will learn about the Suffrage movement of the early 20th century, as well as the Civil Rights Movement of the mid-20th century and how both of these movements have had an everlasting impact on the world we live in today. The children will also have the opportunity to consider and discuss how these movements echo in today's society and how the themes of these social histories can be seen in modern day protest movements.

Computing and IT:

- Data and information - Flat file databases.

French:

- Learning about how to talk about clothes and what they are wearing.

English:

- 1st Person Recount - What was it like to be amongst a Suffragette protest?
- Discussion text - Has gender equality been achieved in today's society?

Mathematics:

- Decimals and percentages
- Perimeter and area
- Statistics

Physical and Emotional Health/Citizenship and

Ethics:

- Real PE - Handball and athletics
- Healthy me - Being and keeping safe and healthy

Arts and Creativity:

Art: Still life sketches

Music: Enjoying musical styles
