

My school is called Dunholme St Chad's Primary School.

**This is a happy and safe place.
I belong at this school.**

My teachers

**This is Mrs. Calvert and Mrs. Tomb.
They are going to help me with my learning
and playing.**

**I can talk to them if I
need help.
They are very excited
that I will be
in Reception in
September!**

My classroom

This is my classroom.
This is where I play and learn.

Playing outside

I can also play and learn in the garden.

I can dig, pour, cycle and build.

I put on my wellies when I am outside.

(Please remind your grown ups to bring a pair of labelled wellies to school on your first day.)

School values

Our school values are love, truth and humility. These are our value friends.

***Guess How Much I
Love You - Bunny!
Love***

***Piglet
Humility***

***Pinocchio
Truth***

My group

I will be in a coloured group.

My group will be the same colour as the name label on my book bag.

These colour groups help me know where to put my things and which activities to do.

My belongings

I have my own peg for my coat. There is a coloured bucket to put my book bag in and a bottle holder for my water bottle.

Coming to school

My grown ups will bring me to school. They will bring me through these gates.

My teachers will be on the playground to greet and help me.

What happens in the school day

Every day we have a plan.
We play and learn together.
We listen to stories and sing songs.

Snack and lunchtime

I have a snack and lunch at school.

I wash my hands before I eat.

My teachers and the dinner ladies help me
if I need it.

I will eat my lunch in the hall.

Toilets and tidying up

**I can ask my teachers if I need the toilet.
They will remind me to wash my hands
with soap.**

**We say: 'choose it, use it, pack it away' to
remind us about putting the toys away.**

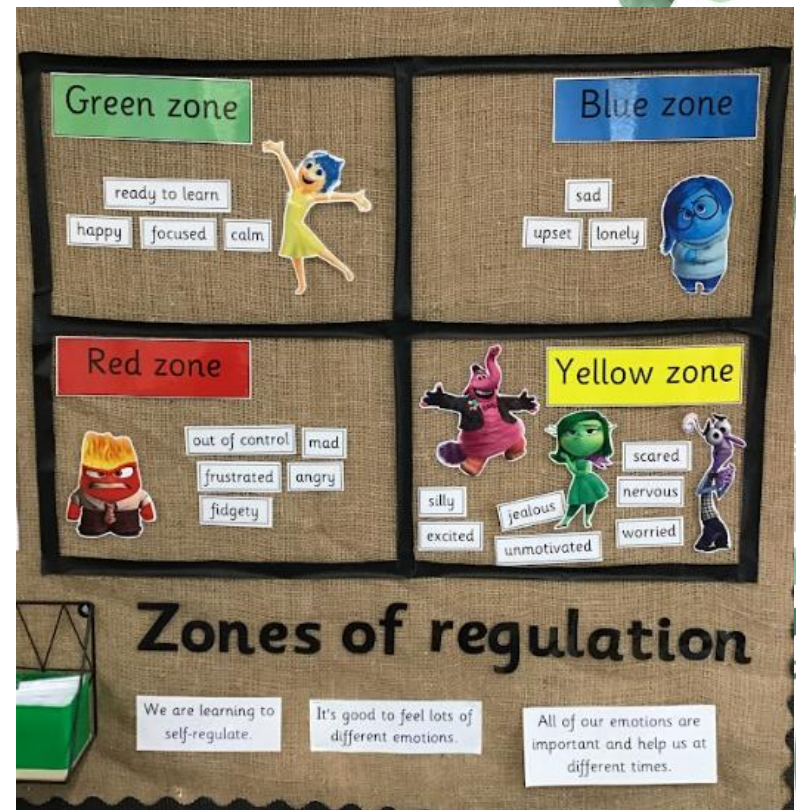

How I might feel

Sometimes I might feel
happy and excited.

Sometimes I might feel
worried.

All feelings are okay.

My teachers and the
'Inside Out' characters
help me with my
emotions.

Going home

At the end of the day I get ready to go home.

My grown ups come back to collect me.
I can tell my grown ups about my day.

(Putting a key ring onto my book bag will help me know which one is mine.)

I am practising being independent

I am learning to:

- **Put on my coat**
 - **Ask for help**
 - **Be kind to others**
- **Look after my belongings and the toys**

**My teachers are
really looking
forward to seeing
me in school in
September
because they
know that we are
going to have lots
of fun together!**

**(Our value friends might be feeling a bit nervous on the
first day so please look out for them in case they need to
see a smiley face!)**
