Dear Parents/Carers

As many of you will be aware from 25th May 2018 the General Data Protection Regulations will come into force which means that we need to ensure we have updated permission to hold certain data and ensure you are aware of how that data may be used and who we share it with.

We need your permission to share your mobile phone details and emails with third parties that provide this service. The systems are cloud based and are fed information from our MIS system (Managed Information System) which holds all the necessary information to allow us to fulfil our legal obligation. Please be assured your information is held securely, managed by school and will only ever be used for the purpose of school and home communication.

Please indicate below whether or not you consent to the use of your mobile telephone number and email address being used by school for school to home communication purposes. If additional adults (including other family members, childminders etc) also wish to receive a text/app/email message they need to provide individual consent by completing a copy of this form.

You are at liberty to withdraw your consent at any time. Please email the school office on enquiries@dunholmne.lincs.sch.uk in order to withdraw your consent at any time.

	<i>Please circle your answer</i>
